

The Weatherdene Guest House

Access Statement

Introduction

I aim to cater for the needs of all visitors to my home based 9 bedrooms Guest House. The following statement is a summary of my provisions. If you have any specific questions please feel free to call me and I will endeavour to help.

Pre-Arrival

- My location is central therefore is suited to those travelling without a car.
- The nearest newsagent and post office is 2 minutes walk away on St. Peters Road.
- The bus station is 10 – 15 minutes walk away in the town centre. There is a regular bus service to many of the surrounding areas and,
- The nearest train station is less than a mile away. Taxis are usually available at the station.
- There are several local taxi companies; I can make bookings in advance for you.
- I regret I do not have facilities to prepare documents in Braille.
- My website www.theweatherdene.co.uk provides pictures of my accommodation and further information about the services I provide.
- You can contact me by telephone or e-mail (details below).

Arrival and Car Parking

- Please advise me of your anticipated arrival time so that I can be sure I am here to welcome you.
- To ensure your accommodation is ready I ask that guests do not normally arrive before 2pm. Earlier arrivals may, however, be possible by arrangement.
- Parking is available free on street in front of the Guesthouse and on either side of St. Johns Church.
- Permits are available for parking in the residential bays and are charged at £1 for 24 hours, and can be purchased from myself.
- I offer assistance with luggage.

Main Entrance and reception

- There are two steps of 19cm high up to the front door and one step from the footpath of 14cms high through the front, which is 90cms wide.
- On entry into the guest house there is a hallway 130cms by 630cms.
- The flooring is fitted carpet.

Guest Accommodation – Public areas

- The corridors to the ground floor bedroom and breakfast room are 130cms wide.
- The guest breakfast room is located through a door 282cms to the right on entering the front door, the doorway is 79cms wide.
- The stairs are 18cm high, 24cm deep and 78cm wide.
- There are 17 steps to the first floor with a half turn to the right. There is a handrail banister on one side (right) of the stairs. The stairs are carpeted.
- There is a doorway leading from the stairway as it turns. The doorway is 75cms wide. Through the doorway there are a further two steps from the left up to the corridor servicing the guest rooms at the rear of the property. The corridor is 82cms wide.
- The second floor is accessed by a further flight of stairs. There are 16 steps to the second landing curving round to the right and are steeper than the first flight. There is a handrail on one (right) side of the stairs.
- The property is centrally heated throughout the public areas and all bedrooms. Temperatures can be adjusted in each room to suit individual requirements.
- A selection of local information leaflets is available just outside the breakfast room in the hallway.

Dinning Room

- Breakfast is served in the breakfast room on the ground floor. There are no steps.
- The dining room chairs are upholstered in material, straight backed without arms. The flooring is fitted carpet

Bedrooms

- There are 9 bedrooms, one on the ground floor, five on the first floor – 2 to the rear and 3 to the front of the property, and a further 3 on the second floor.
- There are grab rails available on request.
- There are en – suite facilities in 7 rooms consisting of a shower, toilet and washbasin. One of the twin rooms and a double room has private facilities just outside the room.
- Well stocked hospitality trays are provided. All rooms have complimentary soaps.

- The bed is a standard double size and can be accessed from the left or the right hand side.
- The bedroom flooring is fitted carpet.

Bedroom 9

- Is on the second floor. It is accessed by two flights of stairs. There is 33 steps in total, each 17cms high. There are 17 steps to the first floor landing and then a further 16 steps to the second floor landing. The 16 steps to the second landing curve around to the right and are steeper than the first flight. There is a hand rail on the right of the stairs.
- The bedroom is directly across the landing. The doorway is 69cms wide.
- The beds are 2ft6 single beds with access from one side.
- The flooring is fitted carpet.
- This room is not full en-suite but has private facilities. There is a large shower room next to the bedroom with electric shower, hand basin and toilet.
- The private shower room doorway is a sliding one, which slides to the right. The doorway is 63cms wide.
- There is a step 27cms high into the shower. The floor is tiled.

Additional information

- There are fire extinguishers on each floor. There are break glass fire points by the back door and on the ground floor, first and second floor landings.
- In the event of a fire the claxons will automatically sound. Please advise me if you have a hearing impairment and might not hear this.
- The building can be evacuated via the front door of the property.
- Smoking is not permitted in any areas of the property. You may smoke outside at the front of the property; an ashtray, table and seats are provided.
- A mini fridge can be supplied upon request.
